INTEGRATED MANAGEMENT SYSTEM (QUALITY, ENVIRONMENTAL, HEALTH & SAFETY) POLICY

IMS Policy

KIARA JEWELLERY PVT. LTD. is committed to conducting business with quality products and services, care and protection of the environment, and consideration for the safety and health of its employees.

Quality Commitment

At Kiara we are dedicated towards:

- Building customer trust by delivering on our promises and creating a **WOW** experience in everything we do.
- Embracing a culture of learning, adaptability, and continuous improvement in all business processes.
- Maintaining an ethical and transparent supply chain with full traceability.
- Motivating and empowering employees to achieve excellence.

Environment, Health & Safety (EHS) Commitment

At Kiara, we strive towards:

- Complying with applicable legal and regulatory requirements related to environment and occupational health & safety (OH&S).
- Minimizing environmental impact through responsible resource use, pollution prevention, and waste reduction.
- Providing safe and healthy working conditions to prevent work-related injuries and ill health.
- Identifying and controlling risks by eliminating hazards wherever possible.
- Educating and involving employees in safe, responsible, and sustainable practices.
- Ensuring continual improvement of our EHS performance and management system.

We are committed to accomplish quality, environmental, health & safety objectives at all levels and functions by implementing, reviewing, and maintaining the Integrated Management System that complies with the requirements of ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 standard.
